

# The Development Trends and Innovative Applications of OPAC

## OPAC 的发展趋势和创新应用

---

Professor Jiang Airong  
Associate Librarian  
Tsinghua University Library

### Abstract

This presentation describes the development trends of OPAC in recent years, and how libraries in the Mainland have utilized and extended the functionalities of Integrated Library Systems in response to the changes in environment as well as user needs. It also forecasts the prospects of forthcoming innovative development in OPAC.

阐述近几年 OPAC 的发展趋势,介绍大陆地区图书馆依据环境变迁和用户需求对 ILS 功能的深入使用和扩展,展望未来 OPAC 的发展前景。
