

# Widgets R Us: WebPac & ENCORE

9th HKIUG Meeting, 8th December 2009  
The University of Hong Kong

Alan Ng

Hong Kong University Libraries

# Introduction

# Three Widgets

# Three Widgets

- E-Resource access rights

# Three Widgets

- E-Resource access rights
- Journal TOC RSS feed

# Three Widgets

- E-Resource access rights
- Journal TOC RSS feed
- Third party community review for ENCORE

# E-Resource Access Rights

# 4 kinds of Access Rights

- HKU Only
- HKU + HKU SPACE
- HKU + Alumni
- HKU + HKU SPACE + Alumni

# E-Resource Database

- we use local MARC tag to store access group information
- scripts will be run to retrieve updated Bib record to update the e-resource database on daily basis

# E-Resource Database

- you can search and browse for e-resource
- each entry in the database will show the access URL and the corresponding eligible access group

# Access Rights widget on WebPac

The screenshot shows a web browser window with the URL <http://sunzi.lib.hku.hk/ER/detail/hkul/2043618>. The page title is "Electronic Resources" and the logo for "HKU Libraries" is visible. The main content area is titled "Nature" and features a table of access rights for different providers. The table lists "Nature Publishing Group journals", "Academic Search Premier", "ProQuest", "MAS Ultra", and "General Onefile". Below the table, there is a "Broad Subject" section with details for "General - Science" and "Science - Periodicals". A "Warning" section states that the use of the files is restricted to research and education purposes. The "Available at" section lists the providers and their access details.

<b>Nature</b>	
<b>Nature Publishing Group journals</b>	
<b>Academic Search Premier</b>	
<b>ProQuest</b>	
<b>MAS Ultra</b>	
<b>General Onefile</b>	

**Broad Subject** General - Science  
**Subject** Science - Periodicals  
**Summary** Contains the weekly issues of the journal, plus other informal materials in the form of Opinion articles, News stories, Briefings and Recruitment features, and other features. Also includes links to other Nature journals.

**Publisher** Macmillan Magazines  
**Frequency** Weekly  
**Language** English

Warning: Use of the files is restricted to purposes of research and education only. Other uses and excessive downloading are strictly prohibited. Violators will lose library privileges, face disciplinary actions and may be prosecuted.

**Available at :**

<b>Nature Publishing Group journals</b>	
<b>Authorized remote access from</b>	HKUVPN, EZproxy
<b>Format</b>	E-journals
<b>Location</b>	Web Mounted
<b>Academic Search Premier</b>	
<b>Authorized remote access from</b>	HKUVPN, EZproxy, HKU SPACE
<b>Format</b>	E-journals
<b>Location</b>	Web Mounted
<b>ProQuest</b>	
<b>Authorized remote access from</b>	HKUVPN, EZproxy, Circle of Friends
<b>Format</b>	E-journals
<b>Location</b>	Web Mounted

# On WebPac

- Access rights info could only be found in the local MARC tag
- HKU SPACE and Alumni users were confused about their access privilege on WebPac

# Access Rights widget on WebPac

- Javascript on the WebPac title page will check for access rights info
- then display an icon linking to the Access Rights portion of the corresponding ER database page

# Third party community review for ENCORE

# Community Review

- want to promote and encourage library users' participation
- e.g. "Add a Tag" on ENCORE

# Community Review

- “community review” is sold as a separate module in ENCORE 3.0
- more expensive than we are willing to afford
- can we insert 3rd party product?

# Did anyone do it?

- contact EncoreDirect Forum and IUG listserv
- no one has the exact same experience

# Seek for collaboration

- contacted 2 vendors
- ChiliFresh and LibraryThing
- both are experienced in providing Javascript add-on to WebPac
- but not ENCORE ...

# First technical issue

- both vendors agreed to explore
- but need to “insert” some Javascript into the ENCORE server
- ENCORE doesn't officially support user-added script

# Adding Javascript to ENCORE

- look through all possible locations for storing Javascript
- find the same scripts at different locations
- and they are ...

# Possible locations for Javascript

- `./catbase/unpack/encore/resources/pearl/js/toggle.js`
- `./catbase/unpack/encore/resources/js/toggle.js`
- `./catbase-encore3/unpack/encore3/resources/pearl/js/toggle.js`
- `./catbase-encore3/unpack/encore3/resources/js/toggle.js`
- `./catbase-admin/unpack/admin/js/dojo/src/lfx/toggle.js`
- `./catbase-admin/unpack/admin/schedadmin/js/dojo/src/lfx/toggle.js`
- `./catbase-admin/unpack/admin/sysmaintadmin/js/dojo/src/lfx/toggle.js`
- `./catbase-admin/unpack/admin/darcadmin/js/dojo/src/lfx/toggle.js`
- `./catbase-admin/unpack/admin/reviewsadmin/js/dojo/src/lfx/toggle.js`
- `./catbase-admin/unpack/admin/harvestadmin/js/dojo/src/lfx/toggle.js`
- `./catbase-admin/unpack/admin/awsadmin/js/dojo/src/lfx/toggle.js`
- `./catbase-admin/unpack/admin/dpadmin/js/dojo/src/lfx/toggle.js`

# Correct location for Javascript

# Correct location for Javascript

- `/iiidb/catbase/unpack/encore/resources/js/`

# Vendor development

- 2 pieces of simple Javascript are inserted for ChiliFresh and LibraryThing
- they develop further programming at their ends
- both are working pretty well

# Platform tested

	Mac OS X	Windows XP	Windows 7
Firefox 3.5	OK	OK	OK
Chrome	OK	OK	OK
IE 7		OK	
IE 8		OK	OK
Safari 4.0	OK	OK	OK

# Community Review from ChiliFresh

The screenshot shows a web browser window displaying the search results for the book "From Homer to Harry Potter: a handbook on myth and fantasy" by David O'Hara. The page is from the University of Hong Kong Libraries Encore system. The search results are displayed in a central white box with a yellow header. The book title is "From Homer to Harry Potter : a handbook on myth and fantasy / Author: O'Hara, David, 1969-". Below the title, there is a yellow button labeled "Add review:". To the left of the book information, there is a "Refine by:" section with various filters such as "SEARCH FOUND IN", "FORMAT", "LANGUAGE", and "PUBLISH DATE". To the right, there is a "Log on:" section with fields for "E-mail:" and "Password:", and a "Log in" button. Below the login section, there are links for "Never posted a review before? Register here!" and "Don't want to register? Write a review anonymously!". At the bottom of the search results box, there is a yellow button labeled "Write a review". Below the search results box, there is a book cover for "From Homer to Harry Potter: a handbook on myth and fantasy" by Matthew T. Dickerson & David O'Hara. The book cover is yellow with a red border and features the text "FROM HOMER TO HARRY POTTER". To the right of the book cover, there is a "Write a review" button circled in red. The page also includes a "Recently Added:" section with a list of books, including "Harry Potter and the Half-Blood Prince" and "Children's literature: a reader's history, from Aesop to Harry Potter".

<http://encore.hku.hk/iii/encore/search/C%7CSharry+potter%7COrightresult%7CU1?lang=eng&suite=def>

# Community Review from ChiliFresh

The screenshot shows a web browser window with the URL <http://encore.hku.hk/iii/encore/search/C%7CSharry+p Potter%7COrightresult%7CU1?lang=eng&suite=def>. The page displays search results for 'Harry Potter and the order of the phoenix' by J.K. Rowling. A 'Read/Write Reviews' pop-up window is open, showing a reader rating of 4.58 (12 reviews) and a 5-star rating. The review is by Reica, dated August 18, 2009, and is 4 stars. The review text states: 'This book is the most popular, but its not the best Harry Potter book in the world. Harry Potter is a lot of times getting angry and stuff and of course I DO NOT like Umbridge.' Below it is another review by Sukhi, dated August 12, 2009, which is 5 stars. The review text states: 'In this 5th book, Harry finds out about the order of the phoenix(basically Dumbledore's secret club).He gets mad at Ron and Hermione for not communicating all summer, but Dumbledore told them not to. Was it really their fault? Well, back at school there's a new and mean professor Umbridge, she has the worst detentions! While the Weasley family has a row,Percy had a fight with Arthur Weasley and leaves the family.Read the book to see if Harry's temper goes down! Or will the friends break up?'

<http://encore.hku.hk/iii/encore/search/C%7CSharry+p Potter%7COrightresult%7CU1?lang=eng&suite=def>

# Community Review from LibraryThing

The screenshot shows a web browser window displaying the Encore library search results for 'harry potter'. The page features a search bar at the top with the query 'harry potter' and a 'Search' button. Below the search bar, there are navigation links for 'Catalog', 'Articles', and 'Classic catalog'. The University of Hong Kong Libraries logo is visible in the top right corner.

The search results are displayed in a list format, sorted by relevance. The first result is 'Harry Potter and the Half-Blood Prince' [videorecording], directed by David Yates. It includes a red circle around the 'Add a review' link and the text 'No reviews'. The second result is 'Harry Potter and the Order of the Phoenix' [videorecording], also directed by David Yates, with a red circle around the 'Add a review' link and the text 'No reviews'. The third result is 'Harry Potter and the deathly hallows / J.K. Rowling', with a red circle around the 'See reviews/Add a review' link and the text '412 reviews (★★★★½)'. The fourth result is 'From Homer to Harry Potter : a handbook on myth and fantasy / Matthew T. Dickerson & David O'Hara', with a red circle around the 'See reviews/Add a review' link and the text '1 review (★★★)'. Each result includes a 'Mark record' button and a 'More info' button.

On the left side, there is a 'Refine by' section with various filters such as 'SEARCH FOUND IN', 'FORMAT', 'LANGUAGE', and 'PUBLISH DATE'. On the right side, there are sections for 'Images', 'Other Sources', 'Refine by Tag', 'Recently Added', and 'Articles and more:'. The 'Articles and more:' section includes links to 'Get more results' from JSTOR, ProQuest, EBSCO, Google Scholar, and PUBMED.

CAUTION... SPOILER REVIEW

WOW! You may argue but my friends and i know i'm the biggest hp fan ever to live and this was my favorite book out of all of them. i read nonstop and am picky about the books i read but i drank this one in through a straw. jk rowling has really captured the ending we all wanted to hear. Voldemort dead, harry alive, ron and hermione alive, and a few other survivors. I admit that the death of fred and doobby and lupin and tonks and moody and... phew, i lost count. Well, let's just say the dreadful deaths hit me pretty hard. though mild mannered molly beating evil belatrix got my heart beating again. i found myself sobbing when harry was sacraficing himself to volde... you know who. (: I did find it disapointing when there was absolutly no quiditch. that was probably my favorite part of all the books so imagine my disapointment when one shows up without it. anyway, thanks for reading this review and i hope it didn't spoil anything for those of you who might not have seen the sign at the top. BYE!!

Did you find this review useful? [Yes](#) [No](#) (0 yes, 1 no votes) Reviewed on Nov 18 2009

**Review by [adults\\_reviews@spl.org](#) (Seattle Public Library)** ★★★★★

This is a "never put down" book. If you've read Harry Potter from book one to book six, then you're probably dying to know what happens next in the series. Full of action, grief, and love, Harry Potter must battle "He-who-must-not-be-named". Read the first six books to understand this amazing and compelling novel.

# Programming issues to be solved

- ChiliFresh's "community review" link doesn't appear for some titles in the hit list
- LibraryThing's script doesn't work on iPhone version of Safari

# Pros and Cons

- 350,000 existing reviews made by LibraryThing's members
- Not integrated with Millennium's patron records
- anyone can write a review

# Next step

- will discuss about the adoption
- no decision has been made

# Implications

- prove it is technically possible to add 3rd party enhancement to ENCORE
- do NOT mean to promote any 3rd party company
- to urge Ill to speed up in addressing user customization options for ENCORE

# Demo
